

OPCOM® Showcasing Tech Innovations for Smart and Healthy Lifestyles in Smart Home Marketplace at the ASD MarketWeek

#Booth # N1975 in Las Vegas, USA March 19-22, 2017

The ASD MarketWeek - **OPCOM®Link USA** will be showcasing our innovative Smart Life Solutions:

Products include:

- **OPCOM®Farm's** GrowBox and GrowWall advanced indoor gardening systems which enable anyone to easily grow their favorite produce inside their homes, year-round. GrowFrame, a compact and decorative product for families to try indoor gardening.

- **OPCOM®Link** Kit featuring a camera to create time-lapse videos and real-time streaming via an app to monitor your plants from seed to harvest. Also, professional grow lights supplies full spectrum Sun-simulation to fulfill various plants with different lighting requirement.
